SEASON OF CREATION

**Jesus, who raised the dead to life
Help us to find ways to renew
what we have broken, damaged
and destroyed in our common home.
Give hope to those working for a greener future.
For you live and reign in the unity of the blessed Trinity
one God now and forever
Amen**

THE RECTOR'S CHAT

Ons eerste Sondag van Oktober bring ons die seisoen van Creation tot 'n einde en ons sluit ons fokus op 'creation' af met die viering van St Francis Fees waar ons in die gees en in die karakter van St Francis ons diere en troeteldiere eer. Ek hoop dat ons 'n geleentheid mag skep in ons diens van vanmôre om ons diere te onthou en vir hulle te bid. Ons sal by St George's 'n spesiale diens hê waar ons hoop om al ons diere

te seën. **This service will be live on Facebook, please log in at 11h15.**

Sunday 3rd October @ St George's Groot Drakenstein 11h15

St George's Anglican Church which is located on the Solms Delta Farm on the R45, brings to a close their 2021 Season of Creation titled "Oikos, our Common home" on the feast day of St Francis Sunday 3 October 2021. They will be having a special Blessing of the Animals ceremony at 11h15am as animals occupied a very special place in the heart of St Francis.

Blessing of the Animals

Fr Wilfred the Rector wishes to

extend a warm welcome to all in the Valley with or without animal companions to join us as we give thanks to God our Creator for the creatures we love and who share this Oikos, our common home. The service will take place in the Rectors garden and will include prayers for healing humanity's relationship with the earth and all creatures who share the earth with us. The service of Blessing will celebrate our unconditional love for our pets and our other humans.

Stuffed animals as well as photographs of pets who would not find attending the event a blessed experience are more than welcome. All animals will receive an individual Blessing from a priest. One request is that pets where possible be on a leash and that attendees remain masked at all times and are requested to maintain social distance where possible.

You are all invited to bring a donation of Dog or Cat food which will be distributed to the Solms Delta farming Community where so many of the farm households have been without an income for the past months. We are grateful for the many in our greater community who has extended a helping hand to these people in their need. As a result of their lost in income many animals of the households have been underfed during this time and the victims of these unfortunate circumstances. Our donation of animal food will be a blessing to all the animals on this farm. At the event there will be flamed Braai Wors Rolletjies for sale with a variety of coolers. Gandhi said "the moral progress of a Nation and its greatness should be judged by the way it treats its animals".

INBRAKE IN DIE PAROGIE

Hierdie week het ons gemeente swaar deur geloop onder die diewe wie die kerk twee agtereenvolgende aande beroof het. Die foto's vertel die hartseer storie.
